Other ways you envision your business participating:

Is there anything else we should know to help match your business with the right agency?

Time commitment is determined on a case-by-case basis by the needs of the agency and willingness of your business.

Ex: A commitment might include learning about the agency's mission and needs, determining volunteer opportunities, participating in kit-building, and making a one-time financial donation.

An exit survey will be emailed to your business contact person at the end of your commitment.

A media package for marketing use is available upon request.
