

**WE ARE  
DRIVEN TO SAVE LIVES**

**2 out of 3 people will be impacted by drunk driving in their lifetime.**

MADD needs people like YOU who are passionate about creating safer communities and supporting victim survivors of this 100% preventable crime!

## **WHY DO WE NEED VOLUNTEERS?**

MADD began when one woman transformed her grief into action, igniting a nationwide movement of dedicated individuals—many of whom started as volunteers—who were committed to supporting survivors and creating a world without victims. Today, with our small team of staff, and bolstered by the diverse skills, connections, insights, and resources contributed by our community, volunteers are the driving force behind our ability to expand services and effect lasting change across our region.

## **WHY SHOULD YOU VOLUNTEER?**

There's a million reasons why you should join us! But to name a few, volunteering with MADD will: create a real impact in your community; increase your own awareness about the dangers of underage drinking and impaired driving; help you develop a variety of professional skills; as well as expand your social networks.

## **OUR VOLUNTEER PROGRAM**

### **Our opportunities:**

- **Welcome everyone.** Whether you're a fresh new adult at 18, or a retired senior in your 70s we welcome you to our mission of saving lives!
- **Don't require experience.** We don't expect you to be an expert. We will provide all necessary training and make sure you feel confident while serving with us!
- **Are flexible.** We understand you're busy and are grateful for the time you're willing to share with us. Many of our roles can fit your schedule, and have the possibility of being done day or night depending on the position!
- **Are fun!** With a variety of positions available, we will help you find your best fit.

**Visit [www.madd.org/volunteer](http://www.madd.org/volunteer) or use the QR code to access our application!**

Submitting an application does not commit you to volunteering. Our Volunteer Resources Specialist, Ree Ford, will reach out to answer your questions and discuss next steps.
